*How far would you go to ensure your secrets remain buried?*

When James Blakely agreed to work as Jezebel Tate's bodyguard, he gave everything he had to keep her safe - but he never expected that to include his heart. Now, James's hidden past is emerging from the shadows, threatening everything he's fought to protect and the life he's creating with Jezebel.

Jezebel's recovering well from the trauma of her encounter with an obsessed fan, and she's focusing her renewed strength on helping James confront the demons that haunt him. But James knows these demons still exist, and he fears what Jezebel doesn't know could pose the greatest danger of all.
