With Christmas just a few weeks away, Benni's queenly boss, Constance Sinclair, demands that she investigate the death of a local socialite. It's not long before Benni recognizes that there may be some deadly truth to Constance's suspicions. But with a famously reclusive artist about to put Benni's quilting museum on the map, and her daunting mother-in-law and her "surprise" new husband visiting, Benni's holiday is already hectic. Nevertheless, she'll need to crack the exclusive circle of suspects before one more gourmet goose gets cooked.
