A rollicking account of a celebrated artist's coming of age, full of outrageously bad behavior, naked ambition, fantastically good music, and evaporating barriers of taste and decorum, and featuring cameos from David Bowie, Andy Warhol, Patti Smith, and many more.

A phantasmagoria of alcohol, sex, art, conversation, glam rock, and New Wave cinema. Hannah's writing combines self-aware humor with an intoxicating punk energy.

The New Yorker Painter Duncan Hannah arrived in New York City from Minneapolis in the early 1970s as an art student hungry for experience, game for almost anything, and with a prodigious taste for drugs, girls, alcohol, movies, rock and roll, books, parties, and everything else the city had to offer. Taken directly from the notebooks Hannah kept throughout the decade, *Twentieth-Century Boy* is a fascinating, sometimes lurid, and incredibly entertaining report from a now almost mythical time and place.
