Let's face it ladies, there are a lot of really hot, but sadly narcissistic men out there in the world! Maybe you've had your heart broken by one, or five, or a dozen of them in the past, and have vowed to never go there again. But, they continue to exist, and they continue to be very hot. What's a single gal to do?

While waiting for your sincere and delightful non-narcissistic man to come along and form a real interactive relationship with you, you know that you still contemplate whether or not it would be okay to have some very hot sex with the narcissists who are still in your little black book. Well, enter this audiobook at your own risk! Because authors Melissa Dainer and Lucille Miller are going to embark on a no-holds-barred romp through the realities, pitfalls, and pleasures of accepting narcissists for who they are, but still spending time with them in and out of the bedroom.

Ready for some physically risky but emotionally safe encounters with some very attractive dudes? Say no more.

This guide to how to date narcissistic men is at your service!
