Penguin presents the unabridged, downloadable audiobook edition of *Unfaithful Music and Disappearing Ink*, written and read by Elvis Costello. In a career spanning four decades, Elvis Costello (born Declan MacManus) has made himself a huge reputation through his tunes, lyrics and occasional bad behaviour. Now, for the first time, he is telling his story. From miming on *Top of the Pops* to becoming one of the industry's elder statesmen, Costello's memoir - which he has written himself and will promote assiduously - is a one-man history of British music. A warm, deep and surprisingly funny insight into an amazing life, it is rich with anecdotes about family, musicians and the creation of his famous songs.
