

Used-Car Salesman

author: Michael Lowenthal

2026-06

Synopsis

author	Michael Lowenthal
readBy	Jed Drummond
inLanguage	english

Michael Lowenthal's attempt to sell a used Subaru becomes at once a grand adventure and an excuse to call into question the very notion of the grand adventure in this personal essay on class, privilege, authenticity in storytelling, and what might just be the strangest one-car chase ever to go down in Western Massachusetts.
