What would you do if you woke up with superpowers? One day, the world was normal. The next, people all over the world suddenly developed unexplained superhuman abilities. Now, the world is a more dangerous place because of these new beings, called specials. There is international concern about how to balance civil rights with the unpredictable nature of their powers. Enter Vanguard. A team of specials secretly formed by the US government and tasked with keeping their brethren in line. But while they contend with rogue specials, a mysterious warlord and his terrorist network wait in the shadows, planning to use superhumans to bring about a global revolution! Fans of *X-Men* and *The Avengers* do not want to miss this explosive first season of an all-new superhero prose series!
