Void Blade is a high-action science-fiction adventure involving massive space battles, overwhelming odds and exciting technologies. It continues the Transcended series and picks up straight after book four: *Galaxy Bomb*.

Bold action from Captain Becky Keller and Lieutenant Joe Nation in the Bael-6 solar system has sent a hammerblow response to the murderous Scions. The enemy are down but not defeated. The detonation of the galaxy bomb has brought something new into the fight.

The Scions are not a natural living species, and now their mysterious creator has taken an interest in the human Confederation. The Hyranus is coming, and it has power beyond anything known. Left unchecked, it will not only rebuild the Scion fleet but destroy humanity in the process.

Keller and Nation are given a mission with incredible scope, and if it succeeds, it will end the fight once and for all. Somehow, they must accomplish the impossible and subdue an alien god.
