Synopsis

author	Frank M. Robinson
readBy	Roger Dressler
inLanguage	english

They are among us, and they've been here for a long time - waiting. They can make you love. They can make you die.

One ordinary man in San Francisco, Arthur Banks, begins to find them out, and immediately his life and his family are in danger. It's a paranoid's worst nightmare. But that's just where it starts. Banks may well be fighting for the survival of the entire human race.
