Heather Clemens never thought that life would turn out like this. Single, alone, and stuck fortune telling out of her house for a meager living, Heather could really use some good news. So she does what she vowed never to do: Read her own fortune. What she sees is shocking and impossible—but that’s when the impossible happens, and Heather finds herself looking into the eyes of Rhys Vandell, a fierce and sexy warrior prince from another world. Heather is his *fated prize*, the key to completing his rite of passage and earning his royal birthright: the power of the dragon shift. Now, thousands of light years away from Earth on Rhys’s home planet of Raspharion, Heather learns where her destiny lies—and just how it intertwines with the fiery, uncertain heart of this handsome alien warrior. ***Warrior's Destiny*** is a standalone, HEA sci-fi fantasy romance with adventure on a far off planet, a dashing alien shifter prince, and smoking hot sex scenes! For 18+ only!
