In this well-known classic, a school inspector travelling to the village of Pit End wonders whether the things he's seeing are products of his imagination or something supernatural. There's a rational answer, but is it the right one?

Was It an Illusion is taken from the Victorian Anthologies series featuring short stories by classic writers of the spooky, the scary and the supernatural. Guaranteed to give you the shivers, each collection includes familiar and loved creepy tales as well as those less well-known.

With music by Benedict Edwards.
