Marco is determined to stay single and childless forever. But, sometimes, life gives you what you never knew you wanted.

After months of trying to contact Marco, Harper finally admits she'll be raising her baby alone.

When Harper is violently attacked, the two are reluctantly thrown back together, only to be embroiled in a web of lies and deceit.

Will they lose their child, each other, and their lives?

Fans of Kate Oliver, Susan Stoker, and Shayla Black will love the passionate romance, nail-biting suspense, and happily-ever-afters of the Trident Security series. It is best listened to in order.
