Dunny knew from an early age what it meant to be an outsider. Her special abilities earned her many names, like freak and water witch. So she vowed to keep her powers a secret. Now, though, her talents may be the only hope for two missing children. </p> <p>A young boy and girl have vanished, feared lost in the mysterious bayous of Louisiana. But they didnâ€™t just disappear; they were taken. By something far more dangerous than the ghosts and spirits living in the swamp. Something with very special plans for the children - and for anyone who dares to interfere.... </p>
