Voodoo isn't just for land lovers. Meet the Mermaids and Mermen of Agwe's Wyrmlider Academy. Vilokan has fallen. The surviving students and Loa of the Voodoo Academy are dispersed, and on the run. The souls of the dead linger beneath the broken firmament. To stand against Kalfu, Annabelle's only hope is to recover a lost relic, once belonging to Agwe, the Voodoo Lord of the Seas. But the underwater world is a perilous place full of sea serpents, insidious spirits, and even zombie sharks. The spirit of a fallen Caplata has claimed the relic that Annabelle seeks. Will Annabelle, with the help of Agwe's mermaid wyrmliders, be able to recover the relic in time? Or, will Kalfu fulfill his plan to raise Vilokan's fallen and unleash his undead army on New Orleans?

*Watery Graves* is the fourth book in the Gates of Eden: The Voodoo Legacy series. Theophilus Monroe's Annabelle Mulledy is a snarky badass heroine with plenty of attitude. Monroe draws on the legend and myth of Voodoo lore in a way that neither caricatures the arts as "demonic" nor glosses over the dark side of the Voodoo tradition. With dark magic, dragons, vampires, light romance, and more, Gates of Eden: The Voodoo Legacy series has something for everybody.
