How her daughter and her passport taught Jennifer to live like there's no tomorrow

Jennifer Coburn has always been terrified of dying young. So she decides to save up and drop everything to travel with her daughter, Katie, on a whirlwind European adventure before it's too late. Even though her husband can't join them, even though she's nervous about the journey, and even though she's perfectly healthy, Jennifer is determined to jam her daughter's mental photo album with memories - just in case.

From the cafÃ©s of Paris to the top of the Leaning Tower of Pisa, Jennifer and Katie take on Europe one city at a time, united by their desire to see the world and spend precious time together. In this heartwarming generational love story, Jennifer reveals how their adventures helped vanquish her fear of dying - for the sake of living.
