Have you ever wanted to brew your own beer? Distill your own whiskey? Develop your very own homegrown marijuana? Why not all three? This do-it-yourself bundle from Richard Altman combines three of his home crafting manuals into one convenient package.

- Home Brewing: A DIY Guide to Creating Your Own Craft Beer from Scratch
- Distilling: A DIY Guide to Building Your Own Still and Making Your Own Whiskey
- Marijuana Growing: A DIY Guide to Raising Your Own Plants from Seed to Harvest

Learn the ins, outs, techniques, pitfalls, and best practices for creating your own alcohol and growing your own weed - all from scratch, all from home, and all for novices. Material covered in this bundle includes:

- The history behind craft brewing and home distilling
- How to malt grains
- A comprehensive guide to building your own still
- Step-by-step instructions for beer and whiskey brewing
- How to select seeds for your plants
- How to protect your plants from pests
- Techniques for indoor and outdoor growing
- Tips to optimize your edibles for maximum taste and potency

Craft brews are some of the most cherished and unique spirits on the market. Marijuana is legal in more states than ever, and is finding mainstream acceptance in today's society. Turn your hobby into a passion, and your passion into a profession with this three audiobook set. Get the *Weed and Brew* bundle and truly make your vices.
