In this classic parody, Thomas Hill presents the testosterone-inspired answer to the best-seller *What to Expect When You're Expecting*. The third edition of the best, funniest father's guide to having a baby, *What to Expect When Your Wife Is Expanding*, is now thoroughly revised and updated, but it's still packed with information, advice, and attitude - distinctively for guys. Originally conceived as a little parody, just something funny and helpful for the expectant man, the audiobook is now a classic gift, passed knowingly from one generation of first-time papas to the next. With this lighthearted month-by-month instruction manual on the care and nurture of a pregnant wife - the main role of expectant dads - he'll handle all the important milestones and topics: what not to say during the three phases of labor, what to buy, how many and when, maintaining work-life balance, and maintaining work-life-wife balance. New features in *What to Expect When Your Wife Is Expanding* include:

- The minefield: the wrong gifts for your pregnant wife
