SQuire Rushnell coaches you how to use the power of "Godwinks" - divine coincidences - to replace uncertainty with certainty, putting you on a path to strengthening your career, relationships, and interests.

Perhaps you have already concluded that it was no an accident that you have been drawn to *When God Winks*. This book will affirm your suspicion that there is more to "coincidence" than meets the eye. That these seemingly random events are in reality supernatural signposts letting you know you have a tangible connection with God. You'll learn to recognize "Godwinks" when they happen, like person to person calls, out of 7,000,000,000 people on the planet.

You'll better understand your own possibilities through the incredible "Godwink" stories experienced by other people and celebrities, including Barbra Streisand, Charles Schulz, Oprah Winfrey, Kevin Costner, Mark Twain, John Adams, and Thomas Jefferson.

After listening to *When God Winks*, you'll recognize Godwinks for what they truly are: loving personal messages just for you.
