

Vinyl Beats Streaming... with Jason Zeimet of Unorigin

author:

2026-08

Synopsis

Jason Zeimet of Unoriginal Vinyl talks about his label and about how important physical media is. Streaming has already brought to light licensing problems that can cause tracks and albums to disappear from existence. He's rereleasing amazing albums on his label and making documentaries on Ska, check him out at: <https://www.instagram.com/unoriginalvinyl/>

He also made the documentary: Pick It up! Ska in the 90s www.SkaMovie.com
