THE INTERNATIONAL #1 BESTSELLING AUTHOR

A body is found in the hills – but the truth still lies buried... In a small town in the Deep South, Flora Dane is part of a task force committed to hunting down every last trace of notorious serial kidnapper Jacob Ness. As his last victim, imprisoned by Ness in a small box for over a year, she knew him better than most. Even after his death, his evil still lingers. But this is the kind of town that doesn't take kindly to strangers asking questions. The kind of town where dark secrets lurk just beneath the surface. The kind of town she might not leave alive.

Featuring Detective D.D. Warren and FBI Special Agent Kimberley Quincy

Reader's comments

comment 1: Emma Sinclair

Lisa Gardner's 'When You See Me' is a riveting addition to her crime thriller collection, masterfully blending suspense with deep character exploration. This novel brings together some of Gardner's beloved characters—FBI Special Agent Kimberly Quincy, Sergeant Detective D.D. Warren, and survivor-turned-vigilante Flora Dane—in a chilling investigation that uncovers dark secrets in a small town. Gardner excels in creating a palpable atmosphere of tension and unease, drawing the reader into a complex web of mystery and danger. Her characters are richly developed, each carrying their own emotional baggage, which adds layers of depth to the narrative. The interplay between Quincy, Warren, and Dane is particularly engaging, as their distinct personalities and skills complement each other in unexpected ways. Gardner's writing is sharp and compelling, ensuring that the plot moves at a brisk pace, keeping readers on the edge of their seats. The novel's exploration of themes like trauma, resilience, and justice resonates deeply, making it more than just a standard thriller. 'When You See Me' is a testament to Gardner's prowess as a storyteller, delivering a gripping tale that captivates from start to finish. This book is a must-read for fans of crime fiction and those who appreciate well-crafted, character-driven narratives.
