In this companion novel to the critically acclaimed *Some Quiet Place*, Alex must choose between Revenge and Forgiveness. Seventeen-year-old Alexandra Tate sits outside Nate Foster's house, clutching a gun. After serving 10 years for the drunk driving accident that killed Alex's family, Nate has been released from prison. Every night, Alex waits out of sight, building up the courage to exact her own justice. There's just one problem: Forgiveness. Alex has been able to see personified Emotions for as long as she can remember, and Revenge is her best friend. But when Forgiveness suddenly appears, he offers Alex a choice - getting even or moving on. It's impossible to decide when Revenge whispers in one ear...and Forgiveness whispers in the other.
