Fyodor Dostoevsky masterfully blends realism and romanticism in this heartfelt tale of unrequited love and the human journey. Set in 19th-century St. Petersburg, "White Nights" is the story of a young man's inner conflict and how his feelings of discontent and loneliness draw him to a young woman who has been jilted by her lover. The lonely hearts come together in a sweet and tender bubble of sharing and romance, but will it last? Dostoevsky has a knack for weaving elements of realism and the human condition into tales that stay with you long after the story ends. </p> <p>Also included in this collection are several other short stories. </p>"A Faint Heart" "A Christmas Tree and a Wedding" "Polzunkov" "A Little Hero" "Mr. Prohartchin" <p>Like some of Fyodor Dostoevsky's more renowned works, these stories give the listener a glimpse of an entirely different world, though one that still mirrors life today. </p>
