Thirty-eight-year-old Julia Rivera loves her young boyfriend, Robert. He loves living the high life with her. But when her money runs out and the glamorous trips end, he walks out on her. Soon after, Julia runs into her old friend Vicki Hawkins, who's now dealing blackjack in Las Vegas. Vicki also needs money and has a plan to scam a casino, so she invites Julia to go partners with her. The two women descend into a terrorizing situation where Julia's dubious past survival skills are put to the test.

About the author/narrator: Paul Kyriazi is the writer/director of six feature films including *Omega Cop*. He's directed 22 movie stars in his films and full-cast audio productions.
