Gunner Wilde's family has branded him a rebel. But when he finds his mate, that all changes. Cassidy is the best thing that ever happened to him, and he'd do anything to make her smile. Little does he know, she's one of the lion shifters who've been at odds with his family for over a hundred years.

When one of the other bride's maids convinces her to sign up for a shifter dating app, she gets much more than she bargained for.
Dylan Wilde is the last of his brothers to find a mate. But with all his work in the warehouse, he doesn't know if he'd even have time for one. When a chance encounter with the woman of his dreams comes out of nowhere, he thinks his life has finally begun.
