Here is a book about two great sports leaders who learned how to win the correct way. John Wooden, UCLA's college basketball's only 10-time National Basketball champion, and Dave Roberts, field manager of the Los Angeles Dodgers, who has to date led them to five straight National League Division titles and a World Series Championship in 2020, his fifth year. Both of these men are described in this book - their differences and similarities in their approach to teaching, coaching, and leading their teams. These stories are told by longtime friend, colleague, and coach Gary Adams, UCLA's Hall of Fame baseball coach for 30 years.
