Oh, what a tangled web....

Kelsey Cameron has spent the past four years thinking about a man she saw for only a minute. But it was a good minute. Huck Beck is getting a second chance at fulfilling a dream. And he won't do anything to mess that up. Even if every time he looks at Kelsey he desperately wants to do just that. Forced to pretend to be a married couple, Kelsey and Huck have to lie to Huck's family and friends. But in the end, are they really just lying to themselves?

Is the possibility of finding love...worth the lies?

This book contains a few fairly graphic love scenes, and the F-bomb is detonated. If it was a movie, it would be rated R.
