author	Emily Brontë
readBy	Emma Messenger
inLanguage	english

Famous, all-encompassing, passionate, but ultimately doomed love between Catherine Earnshaw and Heathcliff, and how this unresolved passion eventually destroys them and the people around them. Today considered a classic of English literature, *Wuthering Heights* was met with mixed reviews when it first appeared, mainly because of the narrative's stark depiction of mental and physical cruelty. *Wuthering Heights* has also given rise to many adaptations and inspired works, including films, radio, television dramatisations, a musical by Bernard J. Taylor, a ballet, three operas (respectively by Bernard Herrmann, Carlisle Floyd, and Frédéric Chaslin), a role-playing game, and the 1979 chart topping song by Kate Bush.
