Book 4, *Taken to Heimo*: He hates me and all humans. But he still calls me his.

This full-length space-opera romance features an angry alien and a head-scarf-wearing human heroine who is far too polite to meet anger with anger! most of the time.

Book 5, *Taken to Kor*: Roses are red, violets are blue, Rhork's a psycho and he's a space pirate, too.

Meet the possessive space pirate of Kor in this adrenaline-filled romp through space featuring a four-armed alien and a plus-sized human heroine.

Book 6, *Taken to Lemora*: He's the wealthiest male in the quadrants and I make his horns itch.

Somewhere within a distant constellation, a grumpy alien meets a hybrid human female who's just discovering freedom and is eager to grab it by the horns—literally.
