

You Only Die Twice

author: Christopher Smith

2026-06

Synopsis

author	Christopher Smith
readBy	R.C. Bray
inLanguage	english

In her past, Cheryl Dunning died once. A violent act killed her, but heroics brought her back. Now, if she can't save herself from two serial killers hunting her in the Maine woods, she's about to die again, this time from two men armed with a Bible, guns, a deep belief in God, and their twisted interpretation of his word. Fueled by their righteous fury, they are determined to find Cheryl and murder her for what they perceive as her "life's worth of sins." What they don't know is what Cheryl knows. She's a Maine girl, born and raised - and she knows how to use these woods in ways that might, if she's lucky, turn them against each man.

From the #1 international best-selling author of many thrillers, including *Fifth Avenue, You Only Die Twice* is a blistering pause-resistor first, and a comment on Biblical interpretation second. It's Christopher Smith's most controversial and gripping novel to date.

***Warning:** "You Only Die Twice" is not for the faint of heart. This is a story of madness and the fight for survival, and it depicts realistic adult situations without hesitation.
